Yep. Do you need it today? On a CRW CD call until 5p and then we're calling Fred (and I'm supposed to be leaving at 5p for a retirement party for my bro-in-law).

FYI -- I think we're going to call Fred at 2:30 since we don't want him talking about the projects to the press.

Dear Counsel:

This morning, the Lower Susquehanna Riverkeeper Association, represented by the Environmental Integrity Project, moved to intervene in the Harrisburg sewage matter before the U.S. District Court for the Middle District of Pennsylvania. I am attaching courtesy copies of the filings to this email.

We filed this motion to assert our client's right to intervene in this litigation. And although we disagreed on the immediate way forward, our goal—which is to work with the parties to bring stop the sewage overflows into Harrisburg's waters as expeditiously and efficiently as possible—remains unchanged, and believe a full seat at the table allows us to realize that goal.

Best,  
Sylvia
